

CALL FOR PAPERS

Chief Patron(s):	Prof. Gautam Roy Chowdhury Chancellor, Techno India University, WB Prof. Manoshi Roy Chowdhury Co-chancellor, Techno India University, WB
Patron(s):	Prof. (Dr.) Gautam Sengupta Vice Chancellor, Techno India University, WB Prof. (Dr.) Rina Paladhi Director(Academic), Techno India University, WB Prof. Meghdut Roy Chowdhury Executive director & Chief innovation Officer, Techno India Group Prof. Pauline Laravoire Director of Sustainability, Techno India Group
Honorary Chair:	Prof. (Dr.) Bidyut Baran Chaudhuri Pro-vice Chancellor, Techno India University, WB Ex. Professor & Head, CVPR unit, ISI Kolkata Prof. (Dr.) Abhijit Mitra Director, Research, Techno India University, WB
General Chair(s):	Prof. (Dr.) Tripti Chakraborty Dean, Basic Sciences, Techno India University, WB Prof. (Dr.) Sambhunath Biswas Senior Professor, Department of CSE, Techno India University, WB Ex. Professor, Machine Intelligence unit, ISI Kolkata Prof. Asoke Kumar Paul Professor, Department of EE, Techno India University, WB
Organizing Chair:	Prof. (Dr.) Jan-Harm C Pretorius Head of School: Postgraduate School of Engineering Management, University of Johannesburg, South Africa Prof. (Dr.) Debasis Chaudhuri Professor, Department of Computer Science & Engineering, Techno India University, WB Ex. Senior Scientist & DGM, DRDO, Govt. of India
Executive Chair(s):	Prof. Mohit Chattopadhyay Registrar, Techno India University, WB Prof. Anit Adhikari Director, Techno India University, WB Dr. Sujoy Biswas Director, Techno India University, WB Dr. Subhashis Biswas Director, Techno India University, WB
Industry Chair(s):	Dr. Tanushyam Chattopadhyay Principal Scientist at AI Lab, Adani Enterprise Limited Mr. Partha Sarkar Academic Relationship Manager, Tata Consultancy Services
Program Chair(s):	Prof. (Dr.) Pabitra Mitra Professor, Department of Computer Science & Engineering, IIT Kharagpur Prof. (Dr.) Sukomal Pal Department of Computer Science & Engineering, IIT BHU Prof. (Dr.) Raju Basak Department of Electrical Engineering, Techno India University, WB Prof. (Dr.) Abhro Mukherjee Department of ECE, Techno India University, WB Dr. Jayanta Poray Department of Computer Science & Engineering, Techno India University, WB
Convenor:	Dr. Debashis Das Department of Computer Science & Engineering, Techno India University, WB
Co-convenor:	Mr. Sauvik Bal Department of Computer Science & Engineering, Techno India University, WB

ABOUT THE CONFERENCE:

ICSSAI 2023 aims to gather scholars in the domain of computer sciences from all over the world to present advances in the fields of computer science and to foster creativity & exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the basic research, application engineers, and industrial system developers. The conference tracks include, but not limited to, Information security, Vision based Surveillance, and Artificial Intelligence [AI]. The conference aims to provide a forum for academics and business professionals from the fields of Artificial Intelligence, cyber-security, and online privacy protection across the world to come together to share and enhance their knowledge and expertise.

In the present scenario, we need developments in the field of information security, Surveillance and Artificial Intelligence applications to make our country self-reliance (Atma Nirbhar Bharat). We need multidisciplinary approach for improvement of our society and economic growth of our nation. In recent industrial developments, the evolution of Artificial Intelligence techniques like deep learning, machine learning, pattern recognition, Natural language processing, and computer vision play a major role in several automation applications, both in industries and day-to-day life. AI provides smart and efficient tools to perform several smart solutions for human society, not only for urban areas but also for rural areas. The integration of different research techniques can be made to apply to various domains, such as, smart city design, green energy developments, efficient banking solutions, IoT applications, expert medical systems, etc.

ABOUT THE ORGANIZATION:

Techno India University, West Bengal, was established through West Bengal State Legislature Act in the year 2012. It is one of the best private universities in the global panorama. The University is renowned for its world class faculty members whose unmatched guidance efficiently grooms students and scholars and transforms their dreams into reality. The University is committed to generating, disseminating and preserving knowledge, and to working in collaboration with academic institutes, research centers and several knowledge hubs within the country and abroad. The University curriculum is improvised to give students opportunities to thrive in the global job market as our courses are modeled keeping in mind the latest industry trends and technologies. With a highly trained teaching faculty and state of the art infrastructure to back it up, Techno India University, West Bengal, provide the best opportunities to shape the youths of tomorrow to make their mark in society and to make a difference.

CONFERENCE TOPICS

Track 1: Information security	Track 2: Vision based Surveillance	Track 3: Artificial Intelligence
<ul style="list-style-type: none"> • Cyber-security • Authenticity, Privacy, Security & Trust Management • Multi-agent systems for information security & risk Management • Data Compression • Data security in healthcare application • Information security in data mining • Data security in embedded systems • Data security for industrial control & manufacturing 	<ul style="list-style-type: none"> • Traffic Surveillance • Motion Detection • Activity Detection & Analysis • Face Detection & Recognition • Urban Surveillance • Object Tracking 	<ul style="list-style-type: none"> • Machine Learning & Deep Learning • Natural Language Processing • Computer Vision • Artificial Neural Networks • Affective Computing • Information systems planning • Knowledge Representation & Reasoning • Robotics & Automation • Big Data Applications • Artificial Intelligence Applications in Science, Engineering, Healthcare & Medicine

IMPORTANT DATES

Publication Note:

All the accepted papers will be published with Taylor & Francis
